**Re: IDT Telecom, Inc. Quarterly PIU Report for October – December 2011
WC Docket No. 05-68**

Dear Secretary Dortch:

On behalf of IDT Telecom, Inc. ("IDT"), please find attached a redacted, public version as well as a confidential version of the Officer Certification required in WC Docket No. 05-68 for the period of October – December 2011.

IDT, by its counsel and pursuant to Sections 0.457 and 0.459 of the Commission's Rules, 47 C.F.R. §§ 0.457, 0.459 (1994), hereby requests that the attached confidential Certification be treated as a confidential document not subject to public inspection. This Certification contains information regarding IDT's calling card traffic patterns and revenue – information that would not otherwise be available to the public. Due to the confidential nature of such information, IDT hereby requests that the attached confidential Certification be treated as a confidential document not subject to public inspection. Accordingly, the attached Certification of IDT has been marked **"CONFIDENTIAL – NOT FOR PUBLIC INSPECTION."** IDT provides justification for the confidential treatment of this information in Attachment 1 to this letter. IDT is also submitting, for inclusion in the Commission's public files, a redacted version of this Certification. The redacted version is marked **"REDACTED – FOR PUBLIC INSPECTION,"** with the confidential information redacted.

For both versions of this filing, IDT is providing an original and four copies and, for both versions, an extra copy of each to be stamped and returned to the carrier.

Should you have any questions concerning this filing or the request for confidentiality, do not hesitate to contact me at Carl.Billek@idt.net or (973) 438-4854.

Sincerely,

A handwritten signature in black ink, consisting of a stylized 'C' followed by a long horizontal stroke.

Confidentiality Justification

IDT requests confidential treatment of the information being provided in its Prepaid Calling Card Provider FCC Quarterly Certification ("Certification") because this information is sensitive and its disclosure would have a negative impact on IDT were it made publicly available. Such information would not ordinarily be made available to the public, and should be afforded confidential treatment under 47 C.F.R. §§ 0.457, 0.459.

47 C.F.R. § 0.457

Specific information in the Certification is confidential and proprietary to IDT as "trade secrets and commercial or financial information" under 47 C.F.R. § 0.457(d). Disclosure of such information to the public would risk revealing company-sensitive proprietary information in connection with IDT's ongoing business and operations.

47 C.F.R. § 0.459

Specific information in the Certification is also subject to protection under 47 C.F.R. § 0.459, as demonstrated below.

Information for which confidential treatment is sought

IDT requests that specific information made in the Certification, marked as "[REDACTED]" to be treated on a confidential basis under Exemption 4 of the Freedom of Information Act. The information designated as confidential is information regarding IDT's percentage of intrastate, interstate and international calling card minutes. This information is competitively sensitive information that IDT maintains as confidential and is not normally made available to the public. Release of the information would have a substantial negative impact on IDT since it would provide competitors with commercially sensitive information. The non-redacted version of IDT's filing is marked "CONFIDENTIAL – NOT FOR PUBLIC INSPECTION."

Commission proceeding in which the information was submitted

The information is being submitted as IDT's Certification in WC Docket No. 05-68.

Degree to which the information in question is for commercial or financial, or contains a trade secret is privileged

The information is designated as confidential is information regarding IDT's percentage of intrastate, interstate and international calling card minutes. This information is competitively sensitive information that IDT maintains as confidential and is not normally made available to the public as release would have a substantial negative competitive impact on IDT.

Degree to which the information concerns a service that is subject to competition and manner in which disclosure of the information could result in substantial harm.

The release of this confidential and proprietary information would cause IDT competitive harm by allowing its competitors to become aware of sensitive proprietary information regarding the operation of IDT's business.

Measures taken by IDT to prevent unauthorized disclosure; and availability of the information to the public and extent of any previous disclosures of the information to third parties.

IDT has treated and continues to treat the non-public information disclosed in the Certification as confidential and has protected it from public disclosure to parties outside the company.

Justification of the period during which IDT asserts that the material should be available for public disclosure.

IDT cannot determine at this time any date on which this information should not be considered confidential.

Other information IDT believes may be useful in assessing whether its request for confidentiality should be granted.

Under applicable Commission decisions, the information in question should be withheld from public disclosure.

REDACTED – FOR PUBLIC INSPECTION

Prepaid Calling Card Provider FCC Quarterly Certification WC Docket No. 05-68
